

**All 2011 CHNA Alberta members are invited to register for a Members-ONLY
CHNA Alberta Webinar on Bed Bugs**

- **January 27th from 4:30pm – 5:30pm**
- **Via Ready Talk Web/Phone (details upon registration)**
- **Complimentary for 2011 CHNA Alberta members**

Do you shudder to go into visit a client's home for fear of the dreaded Bed Bug? Do you have clients visiting the Child Health Clinic asking about bites on their extremities? Are Principals asking how do we prevent the spread of the bed bugs in the classroom?

If you are hearing these questions or any other ones tune into this month's session on bed bugs. Our presenters are two of the Public Health Inspectors for Alberta Health Services. This session will be interactive to answer as many of your common questions as possible.

Presenters: **Sandra Hamilton** is one of the Housing Inspectors for the Edmonton Zone. She is known as the Bed Bug Guru for the detailed knowledge she has obtained.

Jacque Schneider is one of the Educators with the Calgary Zone. She has dealt with many pests over her 23 years of work in the field of Public Health. Jacque's most memorable bug complaint came while working with one of the community health nurses and home care nurses in Northern Alberta.

Format: Presentation followed by a question and answer session.

Purpose: To apply evidence-informed decisions to community health practice

Objectives: To utilize the process of evidence-informed decision making in community health.

**Join CHNA Alberta colleagues from across the province for this dynamic interactive
CHNA Alberta Webinar as part of your 2011 CHNA Alberta/CHNC membership.**
