

WHAT IS CHNA Alberta?

The **Community Health Nurses of Alberta** (CHNA Alberta) is a specialty practice group for RNs who work in or with communities in Alberta.

-  **Educating** CHNs through webinars, online learning, CNA certification and the public about the skills and expertise of CHNs in Alberta
-  **Advocating** for community health nurses in Alberta
-  **Connecting** CHNs with evidence-based resources and other organizations provincially and nationally

Who should be a
CHNA Alberta
member?

Any RN/NP who
works in the
community or
with communities
in Alberta

Any RN/NP
passionate about
increasing the
visibility of CHNs
in Alberta
