

## COMMUNITY HEALTH NURSES OF ALBERTA

RED DEER, ALBERTA. MAY 2, 2015

### Workshop Evaluation

90% of the participants strongly agreed or somewhat agreed that all the participant outcome objectives were met. There were no responses in disagreement. The remaining 10% of responses were neutral.

All respondents strongly or somewhat agreed that the content and delivery met their expectations. A summary of the most meaningful aspects of the workshop reported were:

- Being with and networking with other Alberta CHNs
- Positive energy and community spirit
- Celebrity panel discussion
- Leadership ideas
- Claire Betker (key speaker) was so inspiring and exceptional
- Developing personal leadership strategies and philosophies
- Valuing community health nursing
- Self-reflection
- Keeping our integrity as leaders during turbulent times
